Course

This signed document is a contract between First Response of the Bluegrass (FRB) and _____ (printed name) for the purpose of conducting ACLS/Pals Courses as the Course Coordinator. All individuals applying for Course Coordinator Status shall be approved by FRB prior to conducting a course. Course Coordinators shall be physically present throughout the course. Medical Directors shall be required for teaching advanced courses and shall be available for consultation during the course. Course Coordinator shall have the responsibility for course logistics and quality assurance during the course. The Course Coordinator shall also have the responsibility of following the curriculum as established by AHA for the course, and for ensuring all personnel follow AHA Guidelines while assisting/instructing the class. These roles are explained more clearly under the Administration Section of the ACLS Instructor Manual. Any Course taught using FRB as the Community Training Center shall be subject to monitoring to assure Quality Assurance.
